How about the table?

All properties are on the table, the burning hell under the table What is the burning hell?, the unend well full of fire under the table Which persons are into unending well? Those who is dancing around the table Where is the big Satan in wonderful arena? It already flinging on the table Mace on the table, mace-bearer sat at the table, Uproar around the table, Times photographer near the table, anyone strikes on the table Another one kicks whit the table, fire under the table Became helpless the table, it was dying for swooning the table Should be save the table, from battle –field the table They are beating on drum, and repeated run to run For saving the table, disarming of macebearers whit the table
